

Sequoia

3 Bedrooms
 2 Bath
 1,792 sq. ft.

The single story Sequoia has 1,792 sq. ft. of living space in a ranch-style design. A woody covered entry porch offers a charming entrance to the great room with adjoining dining and kitchen areas.

The master bedroom becomes a private retreat with its adjoining bath and a generously sized walk-in closet. Two more bedrooms flank the second bathroom. This well-designed floor plan works well as a family home, a woody retreat or a retirement home.
